MONDAY

Dear Diary,

This is my week. Today is Monday. Dad is at work. Mum is in town and Lily's with me. She's my little sister. She's OK. She likes playing games. Oh, it's my turn now ...

TUESDAY

Dear Diary,

Tuesdays are OK. After school my friend Liam and I always play tennis in Liam's garden. Liam is cool. We have maths and English homework today. Homework isn't cool.

WEDNESDAY

Dear Diary,

I like Wednesdays. At school we have music and technology. Music is my favourite lesson. Mr Richards isn't strict - he's nice. And we don't have homework for our music lesson. That's good news ☺ Liam and I always ride our bikes to the park on Wednesdays. We relax on the grass.

THURSDAY

Dear Diary,

Thursdays aren't OK. We have six lessons at school on Thursdays. I'm really tired. I'm at home now, in the kitchen. Lily's with me. She can play games or listen to music, but I have lots of homework. Again!

FRIDAY

Dear Diary,

I love Fridays! We have PE at school. We play football on Fridays. After school Lily and I can play our favourite computer games in the living room. No homework and no school tomorrow!
