

READING Sundays with the Draycotts in Plymouth

Read the text. Match the sentence parts. Write the letters into the table.

I want to tell you about Sundays in my family. We are the Draycotts. My family is my mum Holly and my dad Owen Draycott, my brother Steve (14) and me, Alison (11). We live in a small house in the city centre in Plymouth. My brother Steve and I usually sleep late on Sundays. But every first Sunday of the month we do something special. We get up really early, before our parents do. We're really quiet. Then we go to the park with our dog Romeo. After that we make breakfast for the family. Mum and dad always have coffee. We all have cornflakes first and then toast with marmalade.

At the breakfast table we talk about the week. Mum and dad always want to know lots of things. I always talk about school and my friends. I don't know why Steve doesn't like to talk about school. He's really quiet then. Sometimes mum and dad talk about their work. I think it's interesting. And then we make plans for the day.

We always go to a special place in the afternoon. In summer we go to the Tinside Lido to swim. It's a swimming pool in the sea. We all like it there. Sometimes we visit our grandparents in Wembury, that's near Plymouth, or we go to the park near our home. My favourite place is the aquarium. In the evening we always have dinner in a restaurant. I usually have pizza. I love restaurants and I love pizza! The first Sunday in the month is my favourite Sunday.

Satzteile zu einem Satz zusammenfügen

Bei dieser Art von Aufgabe musst du darauf achten, dass die beiden zusammengeführten Teile einen sinnvollen englischen Satz ergeben. Dieser Satz muss inhaltlich mit dem vorgegebenen Text übereinstimmen.
